**PROCUREMENT OF WORKS FOR PLANTATION AT NARI GORGE AND
MUSHKAF INTEGRATED SCHEMES OF NARI BASIN IN SPRING/ MON SOON
SEASON- 2020**

PK-PMU-BIWRMDP-159162-CW-RFQ

Date: 3rd March, 2020

Section 1

1. The Government of Balochistan has obtained a loan No. 5885-PAK from the World Bank for Water Resource Management & Development in the province and intends to apply part of the proceeds of this credit to eligible payments under the contract for which this Request for Quotations is issued. This procurement process will be conducted in accordance with the **Shopping** method of procurement contained in the World Bank Guidelines: Procurement of Goods, Works and Non-consulting Services under IBRD Loans and IDA Credits and Grants by World Bank Borrowers, dated: January 2011, revised July 2014 and the procedures described herein.
2. The Implementing Agency Balochistan Integrated Water Resources Management and Development Project (BIWRMDP) invites quotation for Procurement of works for plantation as Linear/Shelter Belt and Block Plantation in Nari Gorge and Mushkaf sub-integrated schemes. Further details are described in Section III, BOQ and Specifications. For the purpose of any resulting Contract the Implementing Agency or their named representative shall be the Project Manager.
3. Offerors / Firms are invited to submit their priced quotation(s) as per BOQ and specifications mentioned in Section III. Offerors / Firms must quote for all the items in bills. Quotations will be compared, evaluated and contract will be awarded to the Firm offering the lowest evaluated total cost and that meets the eligibility criteria.
4. Offerors / Firm's quotation must be marked "Quotation for Procurement of work for plantation as Linear/Shelter Belt and Block Plantation in Nari Gorge and Mushkaf sub-integrated schemes and submitted to: The Project Director, Balochistan Integrated Water Resources Management and Development Project, 215-B, Jinnah Town, Samungli Road Quetta. Quotations will be evaluated and contract will be awarded to the firm offering the lowest evaluated total cost fulfilling all the eligibility criteria as per the procurement guidelines of the World Bank.
5. Where required offerors quotation should be accompanied by adequate technical documentation, catalogue(s) and other printed material or pertinent information for the item quoted.
6. Quotation must reach at the address indicated in Para-4 above **on or before 12:00 Hours of 20th March 2020**. Evaluation of quotations shall follow after the cut-off date for submission.

7. Quotation(s) should be submitted as per the instructions contained in the Quotation Documents.

Prices: The prices should be quoted in Pak Rupees only and should be inclusive of all associated costs likely to be incurred in completing the task according to specifications and should be inclusive of all admissible taxes and levies.

Evaluation and Award of Contract: Offers determined to be substantially responsive to the technical specifications will be evaluated by comparison of their prices, in addition to the eligibility requirements outlined in the Section-II of Quotation Documents. The Purchase Order will be awarded to the firm offering the lowest evaluated price and that meets the eligibility criteria.

Validity of the Offer: The quotation(s) should be valid for a period of 30 days from the date for receipt of quotation(s) indicated in Paragraph 6 above.

Section II Instructions for Preparing Quotations

1. **Scope of Procurement:**

BIWRMDP invites price quotations for Procurement of works for plantation as Linear/Shelter Belt and Block Plantation in Nari Gorge and Mushkaf sub-integrated schemes as described in the BOQ and Specifications given in Section III. The successful contractor/offerors shall be expected to complete the works by 15th of April or as agreed with the Employer but not later than the end of coming Mon Soon season.

2. **Eligibility to Quote:** Offerers are required to meet the following criteria to be eligible to quote:

- a) must have 03 years of general civil work experience as a prime contractor, sub-contractor or a management contractor.
- b) Be registered with tax authorities.

Following documents shall be required to be submitted to establish eligibility:

- a) Company's profile containing following information:
 - i. Registration Certificates with Tax authorities
 - ii. Work Orders and completion certificates demonstrating that the bidder/offerer has experience of at least 02 years in construction of general civil works.
 - iii. Work Order and Completion Certificate for the works to be considered as relevant.

The Contractor/ offeror (s) have to submit only one quotation for all items described in BOQ.

4. **Contents of Quotation Documents:** The set of proposal documents comprises the documents listed below:

Section I	Invitation to Quote
Section II	Instruction for Preparing Quotations
Section III	BOQ / Specifications
Section IV	Form of Quotation
Section V	Form of Contract Agreement
Section VI	Conditions of Contract

5. **Documents Comprising the Proposal:** The Quotation submitted by the Offerer/Contractor shall comprise the following documents:

- (i) Form of Quotation (as per samples attached)
- (ii) Eligibility and Experience Information (Profile)
- (iii) Copies of taxation documents

6. **Price Quotation:** The Contract shall be for the supplies and shall be based on the unit and total price for fixed unit rate contract. Prices shall be quoted entirely in Pak Rupees. The Contractor/offerer shall fill in the rates and prices for all items described in the BOQ. All duties, taxes and other levies payable by the Contractor under the Contract, shall be included in the rates, prices, and total price Quotation submitted by the Contractor/offerer. The rates and prices quoted shall be fixed for the duration of the Contract and shall not be subject to any adjustment on any account.

7. **Item-by-Item Commentary on the Technical Requirements:** Where required the Offerers must provide an item-by-item commentary on the Implementing Entity's Technical Requirements, demonstrating the substantial responsiveness of the overall design offered to those Requirements
8. **Validity of Quotations.** The price quotation shall remain valid for the period of (30) calendar days counted from the date of submission of Quotation. The Employer may request the contractor to extend the period of validity for a specified additional period. The Employer's request and the contractor's responses shall be made in writing or by fax or electronic mail. A contractor may refuse the request for extension of Quotation validity in which case it may withdraw its Quotation without any penalty. A contractor agreeing to the request for extension of Quotation will not be required or permitted to otherwise modify its Quotation.
9. **Language of the Quotation:** All documents relating to the Quotation and contract shall be in the English language.
10. **Preparation of Quotations:** The contractor shall prepare one original document of the documents comprising the Price Quotation as described in Clause 6 above, with the Form of Quotation, and clearly marked "**Original**". In addition, the Contractor shall also submit one copy which shall be clearly marked as "**COPY**". In the event of discrepancy between them the original shall prevail.

The original and all copies of the bid shall be typed or written in indelible ink (in the case of copies, Photostats are also acceptable) and shall be signed by a person or persons duly authorized to sign on behalf of the bidder. The authorization shall be confirmed from a written power of attorney attached with the bid authorizing the signatory of the bid to act for and on behalf of the bidder. All pages of the bid shall be duly initialed and stamped by the authorized person. All the pages of the Quotation (Price Quotation) where entries or amendments or corrections have been made shall be initialed by the person or persons signing the Price Quotation.

11. **Place and Deadline for Submission of Price Quotations:** The Price Quotations shall be delivered to the Employer at the address given in Paragraph 4 of the Invitation to Quote.
12. **Process to be Confidential:** Information relating to examination, clarification, evaluation and comparison of quotations and recommendation for the PO/ contract award shall not be disclosed until the award to successful Contractor has been announced.
13. **Evaluation and Comparison of Quotations:** The Employer will award the Contract to the contractor whose Quotation has been determined to be substantially responsive to the proposal documents and who has offered the lowest evaluated price quotation. In evaluating the quotations, the Employer will determine for each proposal the evaluated price quotation by adjusting the price quotation by making any correction for any arithmetic errors as follows:
 - (a) Where there is a discrepancy between amounts in figures and in words, the amount in words will govern;
 - (b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern;
 - (c) If a contractor/ offeror refuses to accept the correction, the project authority reserves the right to reject his Quotation.
15. **Employer's Right to Accept Any Quotation and to Reject any or all Quotations:** The Employer reserves the right to accept or reject any quotation, and to cancel the process of

competition and reject any or all quotations, at any time prior to the award of Contract, without thereby incurring any liability to affected offerors.

16. **Employer's Right to Increase or Decrease Quantities:** The Employer, reserves the right to increase or decrease quantities of prescribed items in BOQ before signing and during the execution of contract.
17. **Notification of Award and Signing of Contract:** Results of evaluation would be known in a reasonable time. Contractors are instructed not to approach the Employer after opening of quotations until the finalization of award. The Contractor whose Quotation has been accepted will be notified of the award by the Employer prior to expiration of validity period of Quotation, by registered letter. This letter will state the sum that the Employer will pay the Contractor in consideration of the execution of works, supply, installation, and commissioning of the Supplies by the Contractor as prescribed by the Contract. The written notification of award will constitute the formation of Contract.
18. **Interpretation:** The Employer is not responsible for any wrong interpretation of any clause of this document.

Section III

Bill of Quantities / Specifications

1. Technical Proposal

This part of the RFQ contains the BOQ/ specifications for required items.

2. Payment Criteria

Payment shall be made in the Pakistani currency (Rupees) in accordance with Clause 7 of the Conditions of Contract. The invoice will be subject to Govt. taxes as applicable and set by the Government. Submission of sales tax invoice is mandatory provided the cost of items includes the same.

3. Project Completion Timeline

The contractor/ offeror is required to complete the required works like (Construction of channels/ trenches, digging of pits and plantation etc) by 15th of April 2020 after issuance of work order as per contract agreement which may be updated and revised where required as per the instruction and recommendation of the project manager.

4. Warranty

The Contractor/offerer should warrant that works under contract are carried out satisfactorily as per the prescribed BOQ. Further, the contractor/offerer shall be responsible for correcting any defects in the executed works/supplies till the Defect Liability Period starting from Date of Completion of work as and where required, advised and recommended by the project manager and or his representative. The defect liability period will be of 02 months.

Conditions of Contract (CC)

1. **Definitions:** Boldface type is used to identify the defined terms

(a) **The Contract** is the Contract between the Employer and the Contractor to execute, complete the Works as specified in the BOQ or in other sections of the Contract. The name and identification number of the Contract is given in the Invitation to Quote.

(b) **The Employer** is the party who employs the Contractor to carry out the Works, and the legal successor in title to this person(s). For the purpose of this contract, Project Director, Balochistan Integrated Water Resources Management & Development Project is the Employer.

(c) **The Project Manager** means the person appointed by the Employer to act as the Project Manager for the purpose of Contract and named as follows, or other person appointed from time to time by the Employer and notified to the subcontractor. The Project Manager through his representative will provide top supervision to the works carried out by the contractor and certify the quality and quantity of the works.

The Project Manager is Team Leader (TL) of Project Supervision and Implementation Assistance Consultants (PSIAC) appointed by the Employer for Balochistan Integrated Water Resources Management & Development Project. The TL is nominee of Associated Consulting Engineers - ACE (Pvt) Ltd, the Lead Firm of ACE-CAMEOS (JV) in association with KASIB Associates, who will nominate his representative for the works.

(d) **The Contractor** is a person or corporate body who's Quotation to provide Supplies has been accepted by the Employer.

(e) **The Contractor's Price Quotation** is the completed document (Invitation to Quote together with attachments) submitted by the Contractor to the Employer.

(f) **The Contract Price** is the price stated in the **Letter of Acceptance** and thereafter as adjusted in accordance with the provisions of the Contract.

(g) **Days** are calendar days; **months** are calendar months.

(h) **A Defect** is any item of work/supplies executed not in accordance with the Contract.

(i) **The Required Completion Date** is the date on which it is required that the Contractor shall complete the Works. The Required Completion Date may be revised only by the Employer by issuing an extension of time or an acceleration order in writing.

(j) **BOQ/ Specification** means the bill of quantities (BOQ) with sufficient details to execute the work (Specification) of the Works included in the RFQ /Contract and any modification or addition made or approved by the Employer. The Employer reserves the right to further elaborate the details stated in the Bill of Quantities and such elaboration shall be binding on the contractor to followed in letter and spirit without incurring any additional cost.

- k) **A Variation** is an instruction given by the Project Manager which varies the Works.
2. **Language and Law.** The Contract shall be in the English language. The law governing the Contract shall be the applicable law(s) of the Government of Islamic Republic of Pakistan.
 3. **Communications.** Communications between parties that are referred to in these Conditions shall be effective only when made in writing. A notice shall be effective only when it is delivered.
 4. **Contractor's Risks.** The risks of personal injury, death, and loss or damage to property and adjacent property (including, without limitation, the works, supplies, materials and equipment) are Contractor's risks.
 5. **Works to be completed by the Completion Date.** is the date on which it is required that the Contractor shall complete the Works as per the BOQ. The Required Completion Date may be revised only by the Employer(Project Director) by issuing an extension time or an acceleration order in writing. The Contractor shall commence execution of the Works on the Start Date and shall carry out the Works in accordance with the **work schedule** agreed between Contractor and Employer, as updated with the recommendation of the Project Manager, and complete them by the Required Completion Date.
 6. **Variations:** The Employer reserves the right to increase or decrease the quantities of various items of BoQ and add or delete items as per site requirements upon recommendation of Project Manager. All Variations shall be included in updated Programs produced by the Contractor.
 7. **Defects.** The Employer shall give notice to the Contractor of any violation of Terms and Condition in WO or RFQ for Defects before the end of the Defect Liability Period/ Warranty Period, which begins at completion of Works. The Defect Liability Period/ Warranty Period shall be extended for as long as Defects remain uncorrected. Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the Employer. If the Contractor has not corrected a Defect within the time specified, the Employer will assess the cost of having the Defect corrected, and the Contractor will pay this amount, or the Employer shall recover these amounts by deduction from the amounts due to the Contractor.
 8. **Payments.** The Employer shall pay the Contractor the amounts as per following schedule:

On Completion of works : 90 percent of the Contract Price shall be paid within thirty (30) days of completed work at designated location and upon submission of claim, inspection/verified by supervision team recommended by the Project Manager, supported by the the Interim Payment Certification and other required credentials.

The Employer shall retain from each payment due to the Contractor, 10% of the payment until Defect Liability Period of 2 months starting from Completion Date. The total amount retained shall be repaid to the Contractor when the Defects Liability Period has passed and the Project Manager has certified that all Defects notified by the Project Manager to the Contractor before the end of this period have been corrected.

On Completion of Warranty Period: Remaining 10% of the Contract Price shall be paid upon completion of works and joint inspection after expiry of warranty period.

- 9. Payments for Variations:** If the work in the Variation corresponds with an item description in the Bill of Quantities, the rate in the Bill of Quantities shall be used to calculate the value of the Variation. If the nature of the work in the Variation does not correspond with items in the Bill of Quantities, the Contractor shall provide the Project Manager with a quotation for carrying out the Variation when requested to do so by the Project Manager. The Project Manager shall assess the quotation, which shall be given within seven days of the request or within any longer period stated by the Project Manager and before the Variation is ordered. The quotation by the Contractor shall be in the form of new rates for the relevant items of work. If the Contractor's quotation is unreasonable, the Project Manager may order the Variation and make a change to the Contract Price, which shall be based on the Project Manager's own forecast of the effects of the Variation on the Contractor's costs
- 10. Taxes.** The Contractor is responsible for all taxes in accordance with the laws of Islamic Republic of Pakistan and Province of Balochistan. In case of tax exemption, valid tax exemption certificate shall be furnished with documents. All applicable taxes shall be deducted at source in accordance with the prevailing laws and regulations
- 11. Force Majeure:** Either party may terminate the Contract by giving a thirty (30) days notice to the other for events beyond that party's control, such as Wars, earthquakes, floods, fires, etc.
- 12. Termination:** The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract. A notice for termination shall be mandatory to be served to the other party. When either party to the Contract gives notice of a breach of Contract to the other party, the Project Manager shall decide whether the breach is fundamental or not.

Notwithstanding the above, the Employer may terminate the Contract for convenience.
- 13. Resolution of Disputes:** The Employer and the Contractor shall make every effort to resolve amicably by direct negotiations any disagreement or dispute arising between them under or in connection with the Contract. In case of further disagreement either party can take the matter to arbitration in accordance with the Arbitration Act of 1940.
- 14. Timeline:** The contractor is required to complete the works and supply of items mentioned in BOQ and their installation within **4 months of issuance of Work Order** or signed contract. However, the planting of plants in the nursery shall be carried out in the upcoming monsoon season of 2019 and shall be continued in parallel to construction activities and development of water source. Watering and maintenance of nursery plants will continue throughout the year after completion of civil works of nurseries and sowing through the labors hired by the contractor (s).
- 15. Tests:** If the Project Manager or any of his designated representative, during visit to the site find that the quality of any works or goods item is doubtful, he may instruct the

Contractor to carry out a specified test and cost of such test shall be borne by the Contractor.
